Written comments must be received by the Monday before the Hearing in order to be given adequate time for consideration by the Board before the hearing. Comments received after that Monday will be provided to the Board at the Hearing. Please reference the application number and include your name and address on all correspondence. All comments will be made part of the public record.

In some cases the Applicant may be required as part of the application process to hold a neighborhood meeting before the application is heard by the Board. Property owners within 500' of the application site would then be notified by mail. A property owner that directly abuts the proposed project or owners of 20% of parcels within 500' may also request a meeting. Contact the Planning and Development Office for further instructions

The criteria for the Board's decision are enumerated in the application and Staff Report. The Staff Report will provide background on the Applicant's request and its location, the pertinent recommendations of the Comprehensive Plan (and any other plans relating to the proposal or its location), and a review of the request in the context of the specific criteria required by the City Code. Staff will provide the Board with its conclusion on the way in which the request either conforms, or does not conform, to the criteria. Staff may recommend stipulations to the Board for its consideration in granting the request. Further information on the criteria for granting Special Exceptions and Variances may be found in Sections 19-2.3.5 and 19-2.3.7 of the City Code respectively (which may be reviewed online at <a href="https://www.greenvillesc.gov">www.greenvillesc.gov</a>).

The Board will usually vote to grant or deny an application the same afternoon that it considers the evidence and public testimony; however, it may decide to continue the hearing or postpone deliberation to a future date. After the Board votes to grant or deny an application, Staff will prepare a written Decision for mailing to the Applicant. Anyone having a substantial interest affected by the Decision may appeal to the Greenville County Circuit Court within thirty (30) days of the mailing of the Decision. If no one appeals the Decision (or upon conclusion of the appeal process), Staff will prepare a permit for execution by the Applicant and Property Owner (if different) that will be recorded in the Greenville County Office of the Register of Deeds evidencing the Decision and any stipulations. The permit is binding upon the property owner, successors, and assigns.
