The special event vendor's permit shall be valid for no longer than the duration of the permitted event, up to a maximum period of two months. - (a) *Conduct of picketing; penalty.* For purposes of this section, *picketing* means an organized effort to express publicly a point of view at a given place with signs, oral statements, or the like in a systematic manner, which involves walking or standing in the same area for a prolonged period of time. Peaceful picketing in the furtherance of a lawful purpose shall be allowed in the city, provided the picketing is done under the following conditions:
- (1) Picketing may be conducted only on the sidewalks, on the grounds of a city-controlled park or plaza, or in other city-owned areas or rights-of-way normally used or reserved for pedestrian

movement, and may not be conducted on the portion of a street used primarily for vehicular traffic.

- (2) Such picketers must provide notice as required under subsection 36-142(b).
- (3) Such picketers may carry written or printed signs (which such term shall be interpreted to include flags), provided the signs do not interfere with the free use of the sidewalk or rights-of-way by other pedestrians. Such signs, with reasonable use, shall be deemed to comply if they are composed of paper, cardboard, poster board, cloth, vinyl, or similarly non-rigid material; do not exceed 1/32 inches in thickness; do not exceed 20 inches by 30 inches or 600 square inches in the case of signs composed of paper, cardboard, poster board, or similar material; and do not exceed four feet by six feet in the case of signs composed of cloth, vinyl, or a similar material. Signs exceeding these dimensions are presumed threats to safety.
- (4) Such picketers on sidewalks or on right-of-way normally used or reserved for pedestrian movement must march or stand single file and not congregate so as to block any sidewalk, driveway, or business entrance. All laws pertaining to the orderly flow of pedestrians must be obeyed.
- (5) For public safety reasons, the following are prohibited in the immediate proximity of pickets, and due notice shall be included in every receipt of notice of intent to picket that these restrictions apply:
 - (i) Open flames and combustible solids;
 - (ii) Sticks, poles, selfie sticks, or other similar elongated solid objects capable of inflicting bodily harm as a striking or stabbing object, excluding commercially available corrugated cardboard tubing as the supporting article for signs, flags, and the like;
 - (iii) Backpacks, satchels, bags, coolers, or similar personally carried containers exceeding six inches by eight inches by three inches, except when said container is completely clear and see through;
 - (iv) Any firearm or ammunition except as permitted by the South Carolina Code of Laws;
 - (v) Any mechanical or handmade contrivance that launches any projectile of solid, liquid, or gaseous composition, including aerosols/pressurized canisters;
 - (vi) Any stabbing, cutting, slicing, or striking blade, whether of metal or other solid composition;
 - (vii) Any striking object, such as a bat, stick, brass knuckles, martial arts weapons, implement handles and the like, which would inflict bodily injury;
 - (viii) Any facial mask, headgear, or cloth worn over any portion of the face which prevents facial identification of a person 14 years of age or older;
 - (ix) Any carried object that resembles or serves the purpose of a shield;
 - (x) Any armor or defensive covering that resembles or serves the purpose of defensive body armor;
 - (xi) Carried signage exceeding the size restrictions set forth in subsection 36-142(a)(3); and
 - (xii) Bicycles, automobiles, and mopeds.

This subsection shall not apply to law enforcement officers while in the discharge of their duties.

- (6) Picketing done contrary to this section shall be unlawful, and each individual in violation shall be subject to a fine of up to \$50.00 for the first offense, and a fine of up to \$100.00 for the second and subsequent offenses within a period of two years.

(b) *Notice.*

- (1) No notice of intent to picket is required for picketing by a group of ten or fewer individuals on a sidewalk, or by a group of less than 25 individuals on the grounds of a city-controlled park or plaza, or in other city-owned areas or rights-of-way normally used or reserved for pedestrian movement.
 - (2) A notice of intent to picket must be submitted to the city manager or his designee in a form approved by the city manager and in accordance with the time limits and guidelines established in Table 36-142.1. The city manager shall make the notice of intent to picket form available online, and at multiple locations throughout the city, including city hall and the law enforcement center. The notice shall include the following information:
 - (i) The name, address, and contact telephone number of the organizer of the picket;
 - (ii) The name, address, and contact telephone number of the person who will carry the receipt of notice if different from the organizer;
 - (iii) The location where the picket is to take place;
 - (iv) The date and time the picket will begin and end; and
 - (v) The anticipated number of participants and the basis on which this estimate is made.
 - (3) Upon notice of intent to picket given in accordance with subsection 36-142(b), the city manager or his designee shall immediately issue a receipt of notice. If notice is submitted for the same date, time, and location as a notice for which a receipt has already been issued, the receipt shall be issued for a location as close as reasonably possible to the location set forth in the notice. The receipt shall contain all information stated in the notice. The organizer of a picket, or the person designated in the notice as the one who will carry the receipt of notice, shall be responsible for maintaining the receipt and shall present it when so requested by a law enforcement officer or other city official.
 - (4) Spontaneous pickets which are occasioned by news or affairs coming into public knowledge less than 48 hours prior to such picket may be conducted in the plaza in front of city hall without the organizer(s) first having to provide notice under this subsection. In the event the plaza area cannot safely accommodate the number of persons assembled, a shift commander or supervisor of the police department of the city shall direct the picketers to a suitable alternate location.
- (c) *Interference with pickets.* It shall be unlawful for any person to interfere physically with such pickets in the use of the sidewalk or address profane, indecent, abusive or threatening language to or at such pickets or others to breach the peace.
 - (d) *Crowd dispersal.* A shift commander or supervisor of the police department of the city may, in the event of the assemblage of persons in such numbers as to tend to intimidate picketers pursuing their lawful objective through numbers alone or through use of inflammatory words or threatening gestures that are ordinarily used to intimidate people, direct the dispersal of persons so assembled, and any police officer may arrest any person who fails to leave the place of assemblage when so directed by the police.
 - (e) *Restrictions.* Persons engaging in picketing activity cannot do so inside an area designated as an event area for which a permit has been granted to another individual or group under this article, if the picketing behavior has the effect of interfering with, hampering, hindering, or getting in the way of those participating in the permitted event in accordance with its purposes or with the general public making use of the space for its ordinary and customary purposes. Whenever any police officer or municipal employee charged with monitoring or supervising event activity determines the picketing behavior is interfering with, hampering, hindering, or getting the way of others as provided in this section, then the officer or employee may direct the picketers to relocate to other public space in reasonable proximity where such conduct can continue, if lawful, so long as the picketing does not interfere with, hamper, hinder, or get in the way of persons participating in the event for its intended purposes or of members of the general public making use of the public space for its ordinary and customary purposes.

Table 36-142.1. - Picketing Table.

Sec. 36-143. - Street performances.

- (a) *Street performances authorized.* A street performer, as defined in section 36-133, may engage in a street performance as defined in section 36-133, on city-owned or -operated sidewalks, plazas, parks and other public places, other than vehicular areas in streets and motor vehicle parking lots, so long as the street performer obtains a street performance permit pursuant to this section and complies with the provisions of this section. A street performer acting in compliance with this section does not need any other permit required under this article and is not subject to rules and regulations applicable to other special events as provided for in this article.

- (b) *Permit requirements.* No street performer may engage in street performances without first obtaining a street performance permit from the city manager or his designee, in accordance with reasonable administrative procedures established by the city manager. The information required on a permit application shall be that which reasonably relates to the performer's identity and current contact information and which specifies the type of performance activities the performer intends to provide. Each applicant must also submit a criminal records check from the city police department. The city reserves the right to deny a permit with a conviction for an act that would represent a potential threat to public safety or security for a viewing audience. Each street performance permit applicant must complete a permit application at least 24 hours prior to the first street performance of the permit's term.
- (c) *Permit term.* The permit shall be valid from the time of issuance until the next March 15. Thereafter, the permit may be renewed on or before each March 15 upon the completion of a new application and payment of the standard permit fee.
- (d) *Permit fee.* The city manager shall from time to time set a standard fee adequate to cover or offset the administrative costs of processing a permit application, issuing a permit, maintaining a file on current and inactive permits, and assuring compliance. The permit and the permit fee under this section are in lieu of any other license, permit, tax, or fee, otherwise required by the city for the conduct of performances or the receipt of revenue for performances.
- (e) *Permit appearance and display.* Each permit shall include a current photograph, which shall be passport size, as submitted by the street performer applicant in the most recent application. The permits shall be numbered and contain the name of the permitted street performer. The city shall laminate permits at the time of issuance. Street performers shall keep the permits prominently displayed on their persons, or at the place of performance, during the time of performance.
- (f) *Nontransferable.* Permits are issued to individuals only, even if two or more permittees perform as a group. No permittee may transfer an issued permit to another person.
- (g) *Excluded areas.* Street performances are not permitted within 50 feet of the structure which is a school, hospital, funeral home, or court house and which is designated as such. No performance may occur within 50 feet of the property line of a cemetery. No performance shall occur within an encroachment area for dining on a public sidewalk. No performance activity shall interfere with or impede the flow of pedestrian traffic at a crosswalk, building entrance, private patio, curb cut, or entrance into an encroachment area for dining. No performance activity shall be allowed in a special event area permitted by the city without the express written authorization of the event sponsor. No street performer may perform within 50 feet of another street performer; however, this provision shall not preclude street performers who are performing together from performing in close proximity to one another. In addition: the city, after at least ten days' published notice in a newspaper of general circulation and a posting of notice at or near the proposed site, may hold a public hearing to receive comments on whether to exclude additional sites at which street performances shall be excluded. Persons may also submit written comments. The city manager shall assess such information thereby developed and may exclude additional sites for good cause related to public safety, public health, public peace, or the peaceful enjoyment of nearby premises.
- (h) *Excluded performances.* Performances with flames or fireworks are excluded unless the performer first obtains a written authorization from the fire marshal setting forth the conditions of authorization, if any is to be granted, for the time, place, and manner of the performance. Performances with knives, daggers, swords, and like sharp instruments are excluded unless written authorization is first obtained from the police department setting the conditions of authorization, if any is to be granted, for the time, place, and manner of the performance. Performances with chalk drawings on sidewalks are excluded unless the performer first obtains the written authorization, if any is to be granted, from the public works director, setting conditions for the time, place and manner of the performance. The use of animals is excluded. Where written authorizations are required under this subsection, the performer shall maintain them at the location of the performance at all times during the performance.
- (i) *Times of performance.* Permitted street performances may occur between 10:00 a.m. and 10:00 p.m. all days of the week.

- (j) *Gratuities.* No performer may solicit payment from any individual before, during, or after a performance. However, a performer may invite a group as a whole to show appreciation for the performance at the end of a performance by placing money in a designated receptacle of any reasonable size that it does not block pedestrian traffic at the performance site. The receptacle may remain open before, after, and during the performance and may have with it a sign which invites gratuities, provided the sign is no larger than 12 inches by 18 inches. The use of such open receptacles evidencing intent to receive money is prohibited unless a street performance is in preparation, underway, or just concluded.
- (k) *Sound level and amplification.* All street performers in conducting street performance activities shall be subject to the city's noise ordinance contained in section 16-91 et seq. Performances with sound amplification are excluded unless the city manager or his designee issuing permits determines that the amplification is necessary or proper for the musical or other sound component of a performance and that reasonable steps are being taken as described in the permit to avoid the likelihood of undue public disturbance. Necessary or proper amplification includes, but is not limited to, background musical accompaniment for dancing, juggling, singing, or the like, as well as amplification for flute, piccolo, and other low volume wind instruments needing amplification to be heard outside.
- (l) *Disturbance and interference.* No person shall willfully and maliciously interfere with or disturb a permitted street performer engaged in a street performance. No street performer shall engage in acts that would disturb a person of normal sensibilities. Nothing in this provision shall be interpreted to preclude benign or jovial interaction between street performers and members of the audience.
- (m) *Sidewalk blockage.* Whenever the audience gathering around a street performance is of such size or configuration as to block or unduly impede safe pedestrian movement on sidewalks, plazas, parks, or similar public space, then a police officer may direct members of the audience to keep space open for pedestrians or, if necessary, direct the performer to move to a nearby location where there is less likely to be an undue interference with the movement of pedestrians.
- (n) *The sale of goods.* No street performer may sell or offer for sale t-shirts, toys, CDs, or any other goods, unless the goods so sold relate to the performer's authorized activities under the street performer's permit. All street performers electing to offer such goods for sale shall obtain a street vendor's license and abide by the terms of the license. However, a street performer is not required to rent a cart, select a specific site, or pay for space rental.
- (o) *Insurance.* Based on the character of the permitted performances, the city may determine that liability insurance is needed to address claims of injury and damage sustained by members of the public at large, owners and occupants of real property, and the city. Such policies by certificate shall name the city as an additional insured.
- (p) *Violations.* Any person violating this section shall be subject to section 1-5, the general penalty clause. In addition, and separate from any proceeding in the municipal court, the city may suspend or revoke the permit of any permitted street performer determined by the city manager to have violated this section two or more times within a six-month period. Such suspension or revocation must be preceded with written notice sent to the address listed on the current permit's completed application or hand delivered to the recipient by a law enforcement officer. Such notice must provide at least ten days' notice of a hearing before the city manager or a hearing officer appointed by the city manager.
