Welcome to the Planning Commission Meeting

The Planning Commission is responsible for reviewing and taking action on various types of land development applications, including subdivisions, multifamily residential projects and final development plans. Additionally, the Planning Commission makes recommendations to City Council on planning-related studies, the Comprehensive Plan and proposed zoning ordinance and map amendments (“re-zonings”). The Planning Commission usually meets the third Thursday of each month, and as needed for special called meetings. For your convenience and to help you follow along with the meeting, below is an overview of the meeting procedure. Please take a few moments to familiarize yourself with the process and locate the item(s) of interest to you on the agenda.

Procedure for Public Comment During Live Virtual Meeting

1. The Planning Commission Chair will read through each agenda item and call for a list of names who wish to speak during public comment. The public shall communicate directly with the Planning Staff Liaison if they wish to speak on the specific agenda item.

6. The Planning Staff Liaison will continue through the list of names until all members of the public who wished to speak on the specific agenda item have had an opportunity.

Overview of Planning Commission Actions on Specific Applications

Decision of the Planning Commission

The Commission's action for the following types of applications constitutes a Decision of the Planning Commission; that is, no further actions are required. If approved, the applicant may proceed to the next stage of their project.

- Preliminary Plats for Major Subdivisions (defined as 3 or more lots)
- Applications for multifamily residential developments (e.g. apartments and condominiums)
- Approval of Final Development Plans (FDPs) for PD-Planned Developments
- Applications for street name changes
- Matters pertaining to the Design and Specifications Manual
- Appeals from the Decisions of the Administrator relative to the Design and Specifications Manual, or sections 19-6.7 through 19-6.10 of the Land Management Ordinance

Recommendation to City Council

The following types of applications are presented to the Planning Commission for a public hearing and to receive a formal recommendation before being sent to City Council for action:

- Matters pertaining to the Comprehensive Plan
- Amendments to the text of the Zoning Ordinance
- Amendments to the Zoning District Map ("re-zonings")
- Applications involving PD-Planned Developments and FRD-Flexible Review Districts
- Variances to the Stormwater Management Ordinance
- Planning-related studies and plans

Upon receipt of a formal recommendation at the Planning Commission meeting, these items will move forward to City Council for its consideration and final action. An ordinance to approve (or disapprove) a proposal requires two readings by City Council. You will not receive a separate notice of those meetings; however, you are invited to attend and sign up to speak before the meeting if you wish to comment on an application at the meeting(s). You can contact the City Clerk's Office at (864) 467-4441 to verify the date of the City Council meeting or refer to the City's online meeting schedule at www.greenvillesc.gov.

Deferred Applications

You may notice that some agenda items have been deferred to a future meeting. This means that the item will not be discussed or voted on at today's meeting. Applicants often request a deferral so they can modify their proposal in response to staff comments or community concerns. Once the applicant is ready to bring their application back before the Commission, it will be posted and advertised according to the City's public notice procedures.

Public Meeting Disclosure

All written comments and materials submitted to the Planning & Development Services Department or the Planning Commission, as well as audio recordings of public hearings, are considered public records and subject to FOIA requests under the South Carolina Freedom of Information Act. Additionally, all public meetings are open to the media and may be covered or recorded by them.

Thank you for your interest and attendance. Public participation in the planning process helps the City make reasoned and informed decisions about the growth and development in our community.
