## Overview of Planning Commission Actions on Specific Applications

### Decision of the Planning Commission

The Commission's action for the following types of applications constitutes a Decision of the Planning Commission; that is, no further actions are required. If approved, the applicant may proceed to the next stage of their project.

- Preliminary Plats for Major Subdivisions (defined as 3 or more lots)
- Applications for multifamily residential developments (e.g. apartments and condominiums)
- Approval of Final Development Plans (FDPs) for PD-Planned Developments
- Applications for street name changes
- Matters pertaining to the Design and Specifications Manual
- Appeals from the Decisions of the Administrator relative to the Design and Specifications Manual, or sections 19-6.7 through 19-6.10 of the Land Management Ordinance

### Recommendation to City Council

The following types of applications are presented to the Planning Commission for a public hearing and to receive a formal recommendation before being sent to City Council for action:

- Matters pertaining to the Comprehensive Plan
- Amendments to the text of the Zoning Ordinance
- Amendments to the Zoning District Map ("re-zonings")
- Applications involving PD-Planned Developments and FRD-Flexible Review Districts
- Variances to the Stormwater Management Ordinance
- Planning-related studies and plans

Upon receipt of a formal recommendation at the Planning Commission meeting, these items will move forward to City Council for its consideration and final action. An ordinance to approve (or disapprove) a proposal requires two readings by City Council. You will not receive a separate notice of those meetings; however, you are invited to attend and sign up to speak before the meeting if you wish to comment on an application at the meeting(s). You can contact the City Clerk's Office at (864) 467-4441 to verify the date of the City Council meeting or refer to the City's online meeting schedule at [www.greenvillesc.gov](http://www.greenvillesc.gov).

## **Deferred Applications**

You may notice that some agenda items have been deferred to a future meeting. This means that the item will not be discussed or voted on at today's meeting. Applicants often request a deferral so they can modify their proposal in response to staff comments or community concerns. Once the applicant is ready to bring their application back before the Commission, it will be posted and advertised according to the City's public notice procedures.

## **Public Meeting Disclosure**

All written comments and materials submitted to the Planning & Development Services Department or the Planning Commission, as well as audio recordings of public hearings, are considered public records and subject to FOIA requests under the South Carolina Freedom of Information Act. Additionally, all public meetings are open to the media and may be covered or recorded by them.
