Ms. Crawford stated the audit has concluded. It went well. The draft was sent back to the auditors with our corrections and changes. Auditors were on the premises 5 days. Report will be given at Finance Committee Meeting next month. Larry Finney will present the report next month.

Gary Shepard reported on the impact of the government shutdown. If we don’t have the $1.8 million we cannot pay Proterra. Staff spoke with Proterra, so they are aware of our situation. Mr. Shepard stated we have not received the $150,000 from the County we requested for this year’s budget. A letter was sent in June. A meeting occurred with our County liaison, Dr. Sid Cates, to discuss this in December. Mr. George Campbell suggested sending another letter. Matt Efird stated that he spoke with Joe Kernell relative to this issue. GTA also had a meeting with County Council in October to discuss this issue.

Mr. Scott stated that Focus 25 plans to attend the County Council Meeting Tuesday night. Senator Karl Allen and Peggy Baxter are a part of this initiative. This group will be sending out flyers encouraging everyone too wear green in support of more money being given to Greenlink.

Mr. George Campbell made a motion to adjourn. Mr. Darren Scott seconded the motion to adjourn. There is no opposition. The motion carries.
