Policy Concerning Minority and Woman Owned Business Enterprises

Intent
Business firms owned and operated by women and minority persons, in general, have been historically restricted from full participation in the nation's free enterprise system to a degree disproportionate to other businesses.

Goal for Participation
The City adopts the State of South Carolina's goal for participation of M/WBEs: ten percent (10%) of annual controllable procurement expenditures which are defined as agreements between the City and a contractor to provide or procure labor, materials, equipment, supplies and services to, for or on behalf of the City. However, a specific expectation has not been set for this contract.

Preference in Scoring Proposals
In making procurement decisions which require written evaluations using weighted factors on a 100 point scale, M/WBEs submitting bids or proposals shall receive five additional points in the evaluation.

1.0 INTRODUCTION

1.1 General
The City of Greenville, South Carolina is seeking an experienced and dynamic professional planning consultant team to develop a new Downtown Greenville Strategic Master Plan and to propose related recommendations to update the Land Management Ordinance in support of that Plan.

1.2 Background
Since the 1970s, Greenville’s community and public sector leaders have diligently worked to revitalize the downtown Greenville area through strategic public-private partnerships. It is this established history of planning and spirit of collaboration that have transitioned downtown into a vibrant and nationally recognized model for redevelopment. The success has resulted in unprecedented development along with new growth challenges as well as opportunities. The downtown is a source of great civic pride, yet it is just one part of the thriving Greenville.

The City of Greenville updates its downtown vision and plan about every ten years. The last effort, completed in 2008, identified five corners of redevelopment opportunities and served as a framework for future development. This new plan will provide a deep-dive into the past, present, and future, tempered by market and fiscal realities. The plan will answer questions for the community, strategically outline opportunities, preserve what makes downtown special, and move downtown forward for the next decade.

For a comprehensive community profile on Greenville, please visit www.greenvillescbusiness.com.

2.0 SCOPE OF SERVICES

2.1 Objectives
a. The City of Greenville desires to attract and retain businesses, residents and visitors to downtown while ensuring that the uniqueness and authenticity of Downtown Greenville is maintained.

b. The City of Greenville desires to position downtown for the attraction and retention of a work force for the new economy, which reflects Greenville’s strengths and future potential.
c. The City of Greenville desires a new downtown strategic master plan that will continue the right blend of redevelopment for Greenville, drawing from previous planning efforts, including the recent adoption of the City’s new “Downtown Design Guidelines”. Download links here:

http://www.greenvillesc.gov/244/Commercial-District-Plans;

d. Downtown Greenville’s new strategic master plan will disclose a unified vision and will include a comprehensive strategic implementation strategy to ensure the continued development and redevelopment of Greenville, as well as good quality, mixed-use design with a balance in each block. The master plan will be a frequently referenced document by the community and will serve as a policy guide in decision-making. The plan will make recommendations to update the Land Management Ordinance in support of the new strategic master plan.

e. The planning process will build consensus from a variety of engaged stakeholders, including property owners, residents, businesses, developers, philanthropies and elected officials.

2.2 Anticipated Tasks and Services

b. Examine issues and make recommendations on the following topics:

1) Physical Environment
   - Determine appropriate height and density for downtown. Identify the strategic places where height is appropriate;
   - Evaluate existing C-4 zoning and downtown boundary for any changes and expansion opportunities;
   - Examine pedestrian connectivity downtown and how better connections can be made across streets, in compliance with ADA Title II requirements;
   - Analyze the adequacy of existing infrastructure including utilities, storm water, sanitary sewer and roads;
   - Analyze the adequacy of public, open green spaces and make recommendations for future locations;
• Develop a strategy for coordinating service deliveries and trash receptacles for commercial development and prepare the strategy for adoption; and
• Identify opportunity sites for large, mixed-use developments, ensuring their connectivity.

2) Market Analysis
• Evaluate the strengths, weaknesses, opportunities, and threats of downtown Greenville;
• Perform an analysis of and present a proposal for the appropriate and sustainable mix of office, retail, residential, hospitality, events and other uses;
• Determine the appropriate mix of local and national retailers and identify strategies to ensure local retailers remain downtown;
• Analyze opportunities for establishment of innovation districts and identify weaknesses that would inhibit these;
• Identify market gaps;
• Make recommendations for how downtown can continue to prosper while retaining what makes downtown special; and
• Analyze the adequacy of parking and make recommendations for future parking to support development and the economics of whether the City should remain in the public parking business long-term.

3) Financial
Public/Private Partnerships have served as the cornerstone of Greenville’s redevelopment. Moving forward, future projects will need to rely less on the public investments of the past due to funding constraints. The new strategic master plan will recommend new ideas and programs to help the City prioritize investments and to encourage appropriate and desirable private developments.

4) Design
• Provide conceptual design and requisite public infrastructure for key redevelopment sites; and
• Examine City’s existing downtown wayfinding signage and make recommendations for possible improvements.

5) Implementation Strategy
• Identify specific action items and timing for all recommendations; and
• Include in a matrix or reference chart for ease of use.
c. Work with the City’s GIS Department to incorporate the strategic master plan into the City’s existing downtown 3-D model.

d. Provide master plan files, in a variety of formats, for public distribution and awareness of plan (i.e. GIS layers, PDF, internet-formatted plan, marketing-type summary brochure, etc.). Materials produced as part of the strategic master plan project shall be the property of the City of Greenville.

e. Public Engagement
   1) Identify key stakeholders within the Downtown area and develop a Stakeholder Committee at the beginning of the project.
   2) Facilitate meetings, workshops, interviews, and development of public outreach materials.
   3) Coordinate with public sector officials/agencies and private sector stakeholders to grasp the history and understanding of the planning studies and past initiatives associated with the redevelopment of the downtown area. Establish a meeting schedule for each group.
   4) Use creative strategies for public engagement and broad project participation.

TERMINATION FOR CONVENIENCE OR FOR CAUSE
The performance of work under the contract may be terminated by the City in whole or in part whenever the City determines that termination is in the City's best interest. Any such termination shall be effected by the delivery to the selected consultant of a written notice of termination at least fifteen (15) days before the date of termination, specifying the extent to which performance of the work under the contract is terminated and the date upon which such termination becomes effective.

The performance of work under the contract may be terminated by the City in whole or in part whenever the City determines, in its sole discretion that the selected consultant is not performing as set out in the contract. Any such termination shall be effected by the delivery to the selected consultant of a written notice of termination at least seven (7) days before the date of termination, specifying the extent to which performance of the work under the contract is terminated and the date upon which such termination becomes effective.

COMPLIANCE WITH LAWS
The contractor shall, in the performance of work under this contract, fully comply with all applicable Federal, State, County, or Municipal Laws, Rules, Regulations, Ordinances, and ADA Title II requirements; and shall hold the City harmless from any liability resulting from failure of such compliance.

RIGHTS RESERVED BY CITY
The right is reserved by the City to reject any or all proposals; to waive any informality or irregularity not affected by law; to evaluate, in its absolute discretion, the proposals submitted; and to award the contract based on the established criteria and according to the proposal which best serves the interest of the City.

NON-COLLUSION AFFIDAVIT
As part of the Respondent's proposal, the consultant shall include the attached Non-Collusion Affidavit duly signed by a principal of the firm certifying that it is not a party to any collusive action or any action that may be in violation of the Sherman Antitrust Act. Any or all proposals shall be rejected if there is any reason for believing that collusion exists among the proposers. The City may or may not, at its discretion, accept future proposals for the same work from participants in such collusion.

ETHICS IN PUBLIC CONTRACTING
To comply with the provision of Section 8-13-100 et seq., Code of Laws of South Carolina, the proposer shall certify in writing and include with its proposal that its offer was made without fraud; that it has not offered or received any kickbacks or inducements from any other proposer, supplier, manufacturer, or subconsultant in connection with the offer; and that it has not conferred on any public employee, public member, or public official having official responsibility for this
procurement transaction any payment, loan, subscription, advance, deposit of money services, or anything of more than nominal value.

The proposer shall certify further that no relationship exists between itself and the City, another person, or organization that interferes with fair competition or constitutes a conflict of interest with respect to a contract with the City.

MINORITY/DISADVANTAGED SMALL BUSINESS PARTICIPATION
It is the policy of the City of Greenville to undertake every effort to increase opportunity for utilization of small, disadvantaged, and minority businesses in all aspects of procurement to the maximum extent feasible. In connection with the performance of this contract, the Consultant agrees to use their best effort to carry out this policy and insure that small, disadvantaged, and minority businesses shall have the maximum practicable opportunity to compete for subcontract work under this contract consistent with efficient performance of this contract.

To this end, every consultant or potential consultant with the City is required to complete the S/WHO/M BUSINESS ENTERPRISE FORM.

NON-RESIDENT TAXPAYER REGISTRATION AFFIDAVIT
Nonresident proposers receiving income from business conducted in South Carolina are required to pay taxes to the state on that income. To facilitate this requirement, a nonresident proposer must register with the South Carolina Secretary of State or the South Carolina Department of Revenue. In compliance with South Carolina Code Section 12-8-540 and 12-8-550, a proposer located outside of South Carolina that receives a contract from the City, must furnish to the City Form 1-312 (Rev.10/5/07), Nonresident Taxpayer Registration Affidavit Income Tax Withholding, properly executed and signed.

EMPLOYEE VERIFICATION PER THE SOUTH CAROLINA ILLEGAL IMMIGRATION REFORM ACT
By entering into this Agreement, the Consultant hereby certifies to City that the Consultant will verify the employment status of any new employees, and require any subconsultants or sub-subconsultants performing services hereunder to verify any new employees status, per the terms of the South Carolina Illegal Immigration Reform Act, and as set out in Title 41, Chapter 8 of the Code of Laws of South Carolina, 1976.

CERTIFICATION OF COMPLIANCE WITH ANTI-DISCRIMINATION PROVISIONS OF SECTION 11-35-5300, CODE OF LAWS OF SOUTH CAROLINA, 1976
