

### Route 504 (Anderson)

Route 504: Anderson continues to face on-time performance issues, causing a late return to the Transit Center. As a result, customers miss their connections to another route and must wait an hour for a transfer.

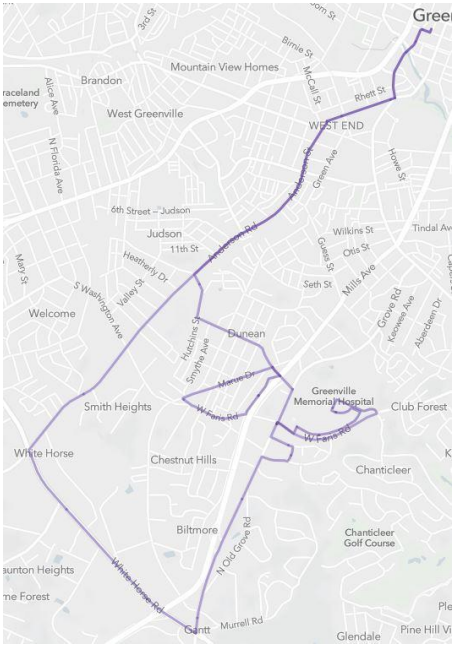

Below are images of the current Route 504 map and the proposed options being considered:

### Route 501 (Pleasantburg)

Greenlink has received requests to provide service to the Phoenix Center and the Arcadia Hills neighborhood. In order to add bus service to these destinations, Greenlink must remove Route 501's service in the Pleasant Valley area, which will require a change to Route 507 (Augusta Road).
